Astronomical Observatory, Belgrade

**ELECTRONIC EDITIONS OF BELGRADE ASTRONOMICAL  
OBSERVATORY AND ASTRONOMICAL SOCIETY  
“RUDJER BOŠKOVIĆ” 2013–2015**

**Abstract.** Electronic publishing of Belgrade Astronomical observatory and Astronomical society “Rudjer Bošković” from the second part of 2015 up to the middle of 2017 is described and analysed.

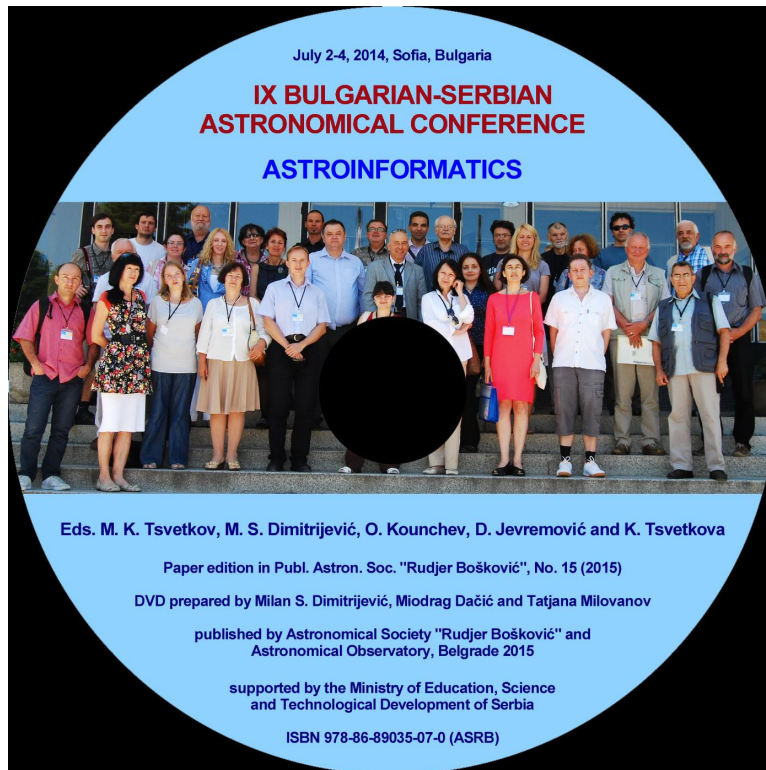

**Keywords:** Astronomy in Serbia, electronic publishing, digitization, Belgrade Astronomical Observatory.

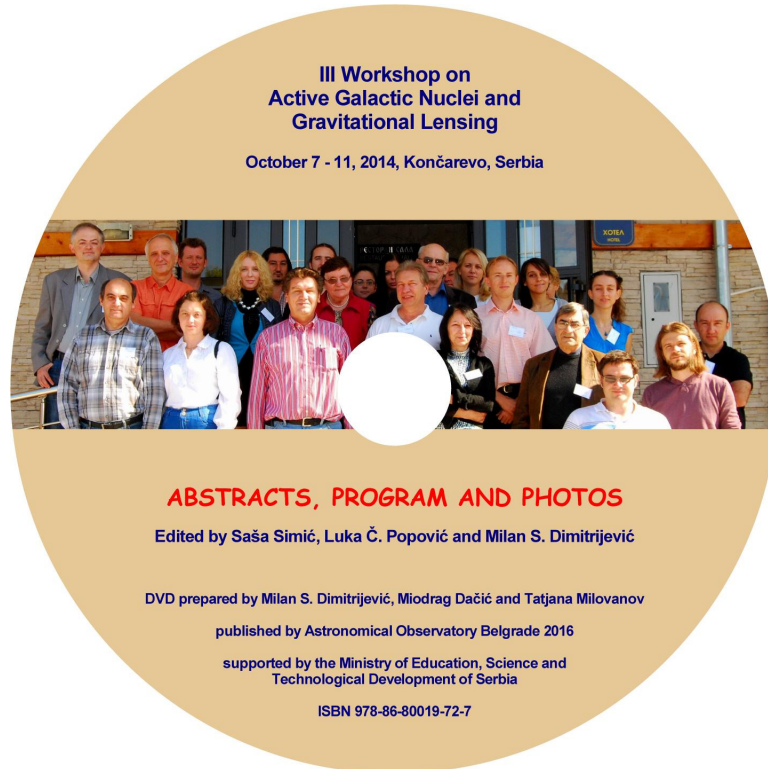

The electronic publishing in astronomical institutions and societies in Serbia, started in 2006, and in Ref. [1] has been reviewed in detail for the 2006-2009 period. For 2010 and the first part of 2011 has been reviewed in Ref. [2], in Ref. [3] for the second part of 2011 and the first part of 2012, in Ref. [4] for the second part of 2012 and first part of 2013 and in Ref. [5] from the second part of 2013 up to mid of 2015. In Refs. [1-5], are presented and discussed 47 CDs and DVDs, published from 2006 up to the middle of 2015. The publishers were Astronomical Observatory, Astronomical Society “Rudjer Bošković”, Society of Astronomers of Serbia and Naturalist Society “GEA” from Vršac and the DVD: 1st Workshop “Astrophysical winds and disks; Similar phenomena in stars and quasars”, organized 2009 in Platamonas, Greece, by Teams of National and Kapodistrian University of Athens (Faculty of Physics) and Astronomical Observatory of Belgrade, has been prepared in Belgrade and published in Greece. Here we will review DVDs published from the second part of 2015 up to the middle of 2017. The following electronic sources have been published within the considered period:

**1. IX Bulgarian-Serbian Astronomical Conference, Astroinformatics, July 2-4, 2014, Sofia.** [Electronic source], eds. Milcho K. Tsvetkov, Milan S. Dimitrijević, Ognyan Kounchev, Darko Jevremović and Katya Tsvetkova, DVD prepared by Milan S. Dimitrijević, Miodrag Dačić and Tatjana Milovanov. - Belgrade: Astronomical Society "Rudjer Boškovic" and Astronomical Observatory, 2015, Electronic optical disk (DVD).

**2. X Serbian-Bulgarian Astronomical Conference, May 30 - June 3, 2016, Belgrade, Serbia** [Electronic source], eds. Milan S. Dimitrijević and Milcho K. Tsvetkov, DVD prepared by Milan S. Dimitrijević, Miodrag Dačić and Tatjana Milovanov. - Belgrade: Astronomical Observatory, 2016, Electronic optical disk (DVD).

**3. III Workshop on Active Galactic Nuclei and Gravitational Lensing, October 7-11, 2014, Končarevo, Serbia, Abstracts, Programs and Photos** [Electronic source], eds. Saša Simić, Luka Č. Popović and Milan S., Dimitrijević, DVD prepared by Milan S. Dimitrijević, Miodrag Dačić and Tatjana Milovanov. - Belgrade: Astronomical Observatory, 2016, Electronic optical disk (DVD).

**4. X Serbian Conference on Spectral Line Shapes in Astrophysics, June 15-19, 2015,**

**Srebrno jezero, Serbia, Abstracts, Presentations and Photos** [Electronic source], eds. Luka Č. Popović, Milan S. Dimitrijević and Saša Simić, DVD prepared by Milan S. Dimitrijević, Miodrag Dačić and Tatjana Milovanov. - Belgrade: Astronomical Observatory, 2016, Electronic optical disk (DVD).

**5. Development of Astronomy among Serbs VIII, 22 - 26 April, 2014, Belgrade Proceedings with Photos** [Electronic source], ed. Milan S. Dimitrijević, DVD prepared by Milan S. Dimitrijević, Miodrag Dačić and Tatjana Milovanov. - Belgrade: Astronomical Observatory and Astronomical Society "Rudjer Bošković", 2016, Electronic optical disk (DVD).

**6. Milan S. Dimitrijević: Београдски астрономи у Румунији (Belgrade Astronomers in Romania): Књига и фотографије (Book and Photographies)** [Electronic source], DVD prepared by Milan S. Dimitrijević and Tatjana Milovanov. - Belgrade: Astronomical Observatory Belgrade and Astronomical Society "Rudjer Bošković", 2016. Electronic optical disk (DVD).

Here are presented six new electronic editions (DVDs), which are multimedia, containing different materials from respective conferences and books. Programmes, Scientific and Local Organizing Committees, lists of lecturers and participants, presentations, photos in high resolution ready to be included in some future publications, book of abstracts and proceedings (when available), CIP and ISBN numbers are provided.

These new electronic publications, as well as all previous ones, reviewed in Refs. [1-5], are included in Serbian Virtual Observatory (SerVO <http://servo.aob.rs/eeditions>) and available on line. In such a manner, the influence of our scientific results is enhanced since they are accessible worldwide.

**Acknowledgments.** The author acknowledge the support provided by Ministry of Education, Science and Technological Development of Republic of Serbia through project 176002 "Influence of collisional processes on astrophysical plasma spectra"
